## WORK WITH US

---

### Rates:

In the dynamic landscape of freight rates, Brightlane Logistics maintains a competitive edge by diligently tracking market trends and maintaining direct communication with carriers who regularly operate specific routes. This proactive approach enables us to offer our clients genuine fair market rates, reflecting the most current conditions in the transportation industry. Our commitment to real-time market analysis and strong carrier relationships ensures that our clients receive the most cost-effective and reliable shipping options available.

### Capacity

Given the increasing volume of products being shipped and the concurrent reduction in the number of trucks on the road, establishing and maintaining strong connections within the trucking community has become more critical than ever. Brightlane Logistics excels in fostering relationships with both small and large carriers, ensuring the timely and efficient transportation of your loads across the United States. This commitment to partnership and collaboration is essential for navigating the complexities of modern logistics and meeting the evolving needs of our clients.

### Dedicated Team

Exceptional service in the logistics industry is rooted in dedicated teamwork and collaboration. At Brightlane Logistics, our committed agents possess the knowledge and expertise necessary to navigate the complexities of the shipping process, from load tender to invoice. Their deep understanding of the industry and unwavering focus on client success enables them to efficiently and effectively manage every aspect of the transportation process.

BRIGHTLANE LOGISTICS LLC  
SAN ANTONIO, TX

This License is evidence of the applicant's authority to engage in operations, in interstate or foreign commerce, as a **broker, arranging for transportation of freight (except household goods)** by motor vehicle.

This authority will be effective as long as the broker maintains insurance coverage for the protection of the public (49 CFR 387) and the designation of agents upon whom process may be served (49 CFR 366). The applicant shall also render reasonably continuous and adequate service to the public. Failure to maintain compliance will constitute sufficient grounds for revocation of this authority.
